Don't miss this informative one and a half day conference highlighting the challenges and issues facing the Infection Prevention professional today. There will be a vendor fair with the latest Infection Prevention products on the market, and the opportunity to network with your peers.

About Our Speakers:

Danilo Concepcion, CBNT, has been a dialysis practitioner for over 35 years. He is a contributor the APIC "Guide to the Elimination of Infections if Hemodialysis". He is from Chino Hills, CA.

Ron Harrison, PhD, an urban entomologist, works for Rollins-Orkin Pest Control as Director of Technical Services in Atlanta, GA.

Gerald Hickson, MD is the Senior Vice President for Quality, Safety and Risk Prevention at Vanderbilt University Medical Center in Nashville, TN.

Marion Kainer, MD is Director of the Healthcare Associated Infections and Antimicrobial Resistance Program at the Tennessee Department of Health, Nashville, TN

Jacqueline Nave, RN is the Accreditation Readiness Coordinator with VA-Tennessee Valley Healthcare System, Nashville, TN.

Walter Phillips, PhD is the Director of Microbiology for TriStar Health System, Centennial Medical Center in Nashville, TN.

Shannon Tipton, RN from Johnson City, TN, is in Infection Prevention at Mountain States Health Alliance.

Patty Wright, MD is an associate professor in the Department of General Medicine – Infectious Diseases at Vanderbilt University in Nashville, TN.

Harvesting the Results of Infection Prevention: Reap What You Sow
